

# FREE INCLUSIVE EDUCATION WEBINARS

FROM THE NATIONAL INCLUSIVE  
EDUCATION INITIATIVE

## Free Inclusive Education Webinars

Greetings,

You are invited to join educators and parents from across the United States to participate in free webinars featuring state-of-the-art strategies related to inclusive education for students with autism and related disabilities. These free, participate-at-your-convenience webinars have been organized into two series, one designed for classroom professionals and parents and one for school and district leaders and administrators. Below is an overview of each webinar series:

### Fundamentals of Inclusive Education Series

Fifteen webinars for educators and parents including:

- New Views of Students with Autism & Related Disabilities
- Creating a Leadership Team
- Inclusion Beyond the Walls of the Classroom
- Collaborative Teaming
- Planning Supports for Instruction, Communication, and Behavior
- Writing Standards-Based IEPs

### Administrators' Leadership Series

Five webinars for general and special education administrators including:

- New Views of Students with Autism & Related Disabilities
- Including Families and Students as Partners
- Creating a Leadership Team
- Creating a Welcoming Classroom, School, and Community
- Desired Outcomes for Students with Autism

[Click here for complete details regarding each webinar series.](#)

The [National Inclusive Education Initiative](#) (NIEI) is pleased to provide these webinars free of charge through a grant from the Omnibus Appropriations Act of 2009.
